

**Consultant Gynaecologist and Honorary Senior Lecturer  
University lead for Obstetrics & Gynaecology  
St. George's, University of London**

Suruchi Pandey is a Consultant Gynaecologist at St. George's University Hospitals NHS Foundation Trust specialising in advanced minimal access surgery, complex benign gynaecology, endometriosis and medical education. She is also an Honorary Senior Lecturer for St. George's, University of London. She is the University Lead for Obstetrics and Gynaecology.

Suruchi received undergraduate training at Banaras Hindu University in India where she graduated at the top of her class and received the University Gold Medal and the Association of Surgeons of India Prize for the highest marks in Surgery in her MBBS class.

Suruchi completed her postgraduate training from Oxford, working for a significant part of her training at the John Radcliffe University Hospital. During her training, Suruchi completed the Postgraduate Diploma in Learning and Teaching in Higher Education from the University of Oxford; was also an Oxford Medical Education Fellow, where she initiated the Ledingham Lecture series which aims to inspire medical trainees to excellence in their academic, clinical and personal endeavours; and became a Fellow of the Higher Education Academy, UK. Suruchi has been a part of the teaching faculty of regional and national gynaecology laparoscopic training courses.

After completing her training, Suruchi undertook a two year fellowship in Advanced Endoscopic Surgery. Suruchi is skilled in performing advanced laparoscopic and hysteroscopic surgery and advanced gynaecological ultrasound.

Suruchi has presented in a number national and international conferences. She has won many awards for her presentations including the prestigious BSGE Karl Storz Golden Laparoscope.
